Dear Southern Lehigh Neighbor,

The marketing ‘Rule of 7’ is a principle stating that people need to see or hear a message at least seven times before taking action. Your library puts this principle into practice every day, getting the word out every way we can that we are **more than books**. Did you know that you can read the Morning Call and New York Times for free from the comfort of your home? That we have museum passes, wifi hotspots, board games, video games, DVDs, and CDs, as well as year-round programs for children and adults, and that we partner with local groups throughout the year to help connect our whole community?

State aid accounts for 13% of the library’s revenue. All other funding is locally generated. Your individual support is essential for us to continue to provide the superior services our community has come to expect. Please consider renewing that support as part of the 2025-2026 Helping Hands Campaign.

You may donate by mail using the donation envelope provided, by scanning the QR Code below, or online at www.solehipl.org, clicking on the Helping Hands Campaign icon. We will include your name in our donor recognition display at the corresponding giving level listed below. Donations of \$50 or more will also be honored with a tribute plate in a new item for the library’s collection, and donations of \$1,000 or more will be permanently honored on the library’s Tree of Knowledge. And don’t forget – many employers will match donations, doubling your impact! **All donations are tax deductible.**
